The application of the Additional Charges must be read in conjunction with the StarTrack Terms and Conditions and other documents comprised in your Services Agreement.

The Additional Charges are further described below. Other capitalised terms used in this document have the meaning set out in the StarTrack Terms and Conditions.

1. Service Rates and Additional Charges

- The Service Rates will be invoiced and paid in the manner set out in the StarTrack Terms and Conditions.
- All applicable Additional Charges will be added to the Service Rates invoiced to you and are payable in the same manner.
- The Service Rates and Additional Charges may be reviewed and adjusted by StarTrack in the manner set out in the StarTrack Terms and Conditions, and you will be given at least 30 days' notice of the amount of the adjustment and the date on which the adjustment will take effect.

A variable fuel surcharge will be levied on delivery charges. This surcharge is varied on a monthly basis and set out on our website:

www.startrack.com.au/pricing-updates and in your invoices.

3. Security Management Charge

The Security Management Charge will be applied to all Premium, Next Flight and International services

4. Manual Handling Surcharge

- The manual handling surcharge will apply to any item that we assess as requiring manual handling. Items to which the surcharge applies will include, but is not limited to:

Road Express Services

- Items that exceed any of the following dimensions:
 - length of 117cm;
 - width of 60cm;
 - height of 60cm; or
 - 20kg in dead weight.
- Anything packed in a drum, tube, cylinder or wooden crate, flat packs or freight containing liquids, nails, magnets, or glass.

Premium Services

- Items that exceed any of the following dimensions:
 - length of 100cm;

 - 22kg in dead weight.
- Flat packs (with a width of less than 50mm), cylindrical tubes and items likely to roll off conveyor belts.
- Freight consigned to us on pallets or skids (and for delivery on pallets or skids) will not attract the manual handling surcharge. Where pallets or skids contain incompatible items and we are required to deliver those items individually, the surcharge will apply to each incompatible item on the pallet or skid.

5. Unmanifested Fee

The Unmanifested Fee will be automatically applied per Item if, at the time of pick-up, a digital manifest giving details of the Goods we have collected has not been received.

6. Manual Consignment Notes

The Manual Consignment Note (CN) charge will be applied per consignment to all Goods which are consigned with a manual CN or with no CN.

7. Futile Pick-Ups

The Futile Pick-up charge will be applied when a driver has attempted the pick-up of a consignment or consignments, but is unable to perform the pick-up due to a change in the original pick-up requirement, including when the supplied vehicle is prevented from being able to perform the pick-up.

8. Futile Deliveries

If the first delivery attempt is futile and the consignment is returned to a StarTrack depot, the Futile Delivery charge will be charged at your quoted local delivery rate. If no local delivery rate has been found for the specific depot, the largest local delivery rate will be used of any other depot. A basic plus per kg charge will apply if no local rates have been quoted. The Futile Delivery charge is set out in the attached table. A cubic factor of 250 kilograms per cubic metre will also apply.

9. Next Flight Cancellation or Downgrade

The Next Flight Cancellation or Downgrade charge will apply:

- in the case of a Next Flight booking cancellation, if the driver has already been despatched for pick-up at the time of the cancellation, and

- in the case of a Next Flight futile pick-up or futile delivery.

10. Overweight Fixed Price Premium Consignments

The charge amount is set out in the Pricing Schedule.
- Fixed Price Premium Satchel and Carton consignments for which the chargeable weight is greater than the specified maximum weight denomination, for example 1kg, 3kg, 5kg, 10kg or 20kg, will be subject to the following charging process:
